

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Air emissions

Fugitive emissions (i.e. dust, smoke)

Airfield operations

Pest management (weed, insect & rodent control)

Point source emissions

Clinic operations

Facility operations

Recreational services (Marina, pier, boating, ODR, RV rentals, campgrounds)

Troop services (bowling alley, child & youth, gym & fitness, Transportation Inn, education center, theater, dining facilities)

Vegetation management (nuisance plants/invasive species)

Vehicle emissions

Aircraft maintenance activities

Autocraft shop services

Building and Infrastructure maintenance

Building construction & renovation (RCI, MCA, JOC)

Dock and pier operations

Energy management

Fire services

Golf course services

Hazardous waste (HazWaste) management (installation-wide)

Heating & cooling (HVAC) operations

Major landscaping

Motor pools and vehicle/vessel/causeway maintenance operations

Port/Marine operations

Rail operations

Recreational services (Marina, pier, boating, ODR, RV rentals, campgrounds)

Road construction/maintenance activities

Service station services

Solid waste management (installation-wide)

Timber harvesting & forest management

Vegetation management (nuisance plants/invasive species)

Wildlife management

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Cultural resource affected

Archeological site

Bank or shoreline modification/stabilization
Building construction & renovation (RCI, MCA, JOC)
Cultural resource management
Land and sea maneuver training operations
Major landscaping
Ranges (live-fire) operations

Historic property

Cultural resource management
Pest management (weed, insect & rodent control)

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Emergency situations

Fires

Open anchorage

Spills (POLs)

Aircraft maintenance activities

Airfield operations

Facility operations

Fire services

Helicopter pad operations

Major landscaping

Motor pools and vehicle/vessel/causeway maintenance operations

Open anchorage

Pest management (weed, insect & rodent control)

Port/Marine operations

Rail operations

Recreational services (Marina, pier, boating, ODR, RV rentals, campgrounds)

Service station services

Timber harvesting & forest management

Vegetation management (nuisance plants/invasive species)

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Energy use

Consumption

Airfield operations
Building and Infrastructure maintenance
Energy management
Hazardous waste (HazWaste) management (installation-wide)
Heating & cooling (HVAC) operations
Land and sea maneuver training operations
Major landscaping
Pest management (weed, insect & rodent control)
Port/Marine operations
Rail operations
Ranges (live-fire) operations
Road construction/maintenance activities
Solid waste management (installation-wide)
Timber harvesting & forest management
Troop services (bowling alley, child & youth, gym & fitness, Transportation Inn, education center, theater, dining facilities)
Vegetation management (nuisance plants/invasive species)

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Land disturbance

Land disturbance

Airfield operations
Bank or shoreline modification/stabilization
Building and Infrastructure maintenance
Building construction & renovation (RCI, MCA, JOC)
Golf course services
Hazardous waste (HazWaste) management (installation-wide)
Horse stable services
Land and sea maneuver training operations
Major landscaping
Port/Marine operations
Ranges (live-fire) operations
Recreational services (Marina, pier, boating, ODR, RV rentals, campgrounds)
Road construction/maintenance activities
Solid waste management (installation-wide)
Timber harvesting & forest management
Troop services (bowling alley, child & youth, gym & fitness, Transportation Inn, education center, theater, dining facilities)
Vegetation management (nuisance plants/invasive species)
Water resource management
Wetlands management
Wildlife management

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Natural resource affected

Habitat (beach, field, forest, riverine, lacustrine, wetland)

Bank or shoreline modification/stabilization
Building construction & renovation (RCI, MCA, JOC)
Dock and pier operations
Land and sea maneuver training operations
Major landscaping
Ranges (live-fire) operations
Recreational services (Marina, pier, boating, ODR, RV rentals, campgrounds)
Timber harvesting & forest management
Wetlands management
Wildlife management

Materials (timber, rock, mineral, metal - exclude fossil fuels)

Building and Infrastructure maintenance
Building construction & renovation (RCI, MCA, JOC)
Hazardous waste (HazWaste) management (installation-wide)
Heating & cooling (HVAC) operations
Road construction/maintenance activities
Solid waste management (installation-wide)
Water resource management

Species affected (amphibian, aquatic, avian, terrestrial, T & E, vegetative)

Airfield operations
Bank or shoreline modification/stabilization
Golf course services
Pest management (weed, insect & rodent control)
Ranges (live-fire) operations
Recreational services (Marina, pier, boating, ODR, RV rentals, campgrounds)
Wildlife management

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Nuisance

Noise

Airfield operations
Ambulance services
Autocraft shop services
Bank or shoreline modification/stabilization
Building construction & renovation (RCI, MCA, JOC)
Fire services
Helicopter pad operations
Major landscaping
Port/Marine operations
Rail operations
Ranges (live-fire) operations
Swimming & aquatic center services
Timber harvesting & forest management
Troop services (bowling alley, child & youth, gym & fitness, Transportation Inn, education center, theater, dining facilities)
Vegetation management (nuisance plants/invasive species)
Wildlife management

Odor

Autocraft shop services

Other

Vegetation management (nuisance plants/invasive species)

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Recycled materials/recyclable waste

Recycled materials/recyclable waste

Building and Infrastructure maintenance
Building construction & renovation (RCI, MCA, JOC)
Clinic operations
Commissary & Px services
Facility operations
Fire services
Hazardous waste (HazWaste) management (installation-wide)
Heating & cooling (HVAC) operations
Radiology operations
Ranges (live-fire) operations
Recreational services (Marina, pier, boating, ODR, RV rentals, campgrounds)
Road construction/maintenance activities
Service station services
Solid waste management (installation-wide)
Troop services (bowling alley, child & youth, gym & fitness, Transportation Inn, education center, theater, dining facilities)

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Uncontrolled releases

Weapons/munitions

Ranges (live-fire) operations

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Waste generation/disposal

Hazardous & Universal

Aircraft maintenance activities
Autocraft shop services
Building and Infrastructure maintenance
Dock and pier operations
Energy management
Facility operations
Golf course services
Hazardous waste (HazWaste) management (installation-wide)
Heating & cooling (HVAC) operations
Laboratory operations
Major landscaping
Pest management (weed, insect & rodent control)
Port/Marine operations
Radiology operations
Ranges (live-fire) operations
Road construction/maintenance activities
Solid waste management (installation-wide)
Timber harvesting & forest management
Troop services (bowling alley, child & youth, gym & fitness, Transportation Inn, education center, theater, dining facilities)
Vegetation management (nuisance plants/invasive species)

Industrial (bilge)

Port/Marine operations

Medical

Clinic operations
Pharmacy operations
Radiology operations

Municipal (trash)

Autocraft shop services
Building and Infrastructure maintenance
Building construction & renovation (RCI, MCA, JOC)
Clinic operations
Commissary & Px services
Facility operations
Fire services
Golf course services

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Waste generation/disposal

Hazardous waste (HazWaste) management (installation-wide)
Heating & cooling (HVAC) operations
Horse stable services
Port/Marine operations
Radiology operations
Recreational services (Marina, pier, boating, ODR, RV rentals, campgrounds)
Road construction/maintenance activities
Service station services
Solid waste management (installation-wide)
Swimming & aquatic center services
Troop services (bowling alley, child & youth, gym & fitness, Transportation Inn, education center, theater, dining facilities)

Fort Eustis Aspects by Activity
Identified by workshop participants, February 26, 2004

Water resource affected

City water

Building and Infrastructure maintenance
Energy management
Fire services
Heating & cooling (HVAC) operations
Horse stable services
Major landscaping
Swimming & aquatic center services
Troop services (bowling alley, child & youth, gym & fitness, Transportation Inn, education center, theater, dining facilities)
Water resource management

Ground water

Golf course services

Storm water/runoff

Water resource management

Waste water

Autocraft shop services
Commissary & Px services
Facility operations
Recreational services (Marina, pier, boating, ODR, RV rentals, campgrounds)
Swimming & aquatic center services
Troop services (bowling alley, child & youth, gym & fitness, Transportation Inn, education center, theater, dining facilities)
